Physical storage:	Box: 194
Physical storage:	Box: 184

Scope and content

Materials related to the services offered by EMBO as an advisory and review body to the EMBC Member States between 1994-2005. It carried out reviews of several national research programmes. In each case, it appointed an expert panel of EMBO Members to analyse the strengths and weaknesses of the individual life sciences programmes and delivered a report to the national research councils or ministries.

Notes

Arrangement

This collection is arranged at the series-level.
