Scope and content

This collection contains administrative and organisational documents, correspondence, agreements, and other documents related to the activities of the European Molecular Biology Conference between 1967-2024.

Notes

Related material

Matters related to the operations of the EMBC are discussed regularly at EMBO Council meetings, so references may be found therein. John Kendrew, in his capacity as the first Secretary General of EMBO, was heavily involved in the early years of the EMBC. His archive is available at the Bodleian Library: <https://archives.bodleian.ox.ac.uk/repositories/2/resources/4986>
